## Experience

---

### Web Developer, Flemington, NJ

Freelance

November 2019 – Present

- Create custom websites for clients to fit specific design expectations
- Communicate with small business owners to create ideas for site layout and design, as well as pricing, deadlines, and issues
- Manage time effectively to ensure websites are completed in a timely manner, and to the client's expectation

### MTP Home Services LLC, Hillsborough, NJ

Operations Manager

January 2018 – November 2018

- Re-structured company's financial tracking system by applying strategy to develop excel functions to ease human error
- Created eye-catching marketing materials to be often displayed at local events and delivered to clients
- Selected by owners to build creative presentations to be displayed at company-wide meetings
- Managed 3 employees to ensure work is completed on time, and resolve issues by creating processes

Project Manager

June 2017 – January 2018

- Chosen by owners for my innovative mindset to be involved in the development of new business unit
- Designed and assembled marketing decks from scratch to present to potential clients
- Harnessed communication skills to keep both field managers and clients comfortable while projects are underway

Inventory Manager

December 2016 – June 2017

- Developed brand new system in Excel to track inventory entering and leaving the warehouse
- Order all plumbing and HVAC parts, and coordinate with technicians so project necessities are met
